

Clergy Retreats

Clergy retreats are very important in taking care of the body of Christ. We frequently work a lot of long hours and get burned out and we forget to take care of God's Temple.

Why you need to join us at our 2019 Retreats:

- It glorifies God
- It's being a good witness
- It provides more energy to serve
- It allows us to fellowship with other clergy

Renew: the body, mind and spirit.

Refresh: Ministry can be exhausting work and we need time away (self-care) to refresh from stress and get better equipped to serve others.

Reconnect: refocus spiritually and remember your call.
